

1. Instructions on how to insert the values for the product:

The screenshot shows the 'DNA ELECTRONICS SYSTEM' window. On the left is a table with columns: Product ID, category, Product Name, Price, Recommendation, and Range. On the right is a form with the following fields:

- Product Id: 1 (Callout: Enter the product ID.)
- Category: Smartphone (Callout: Choose the category.)
- Product Name: (empty)
- Price: (empty)
- Recommendation: ☐ Organization ☐ Person ☒ None
- Range: ☐ Low ☒ Mid ☐ High

At the bottom, there is a search section with a magnifying glass icon, a 'Select the category' dropdown (set to Laptop), and an 'Enter the price' input (set to 0). Below these are 'Search By Category' and 'Search By Price' buttons. At the bottom right are 'Add Product', 'Remove Product', and 'Clear' buttons.

Figure 1: User manual, Entering the product and choosing the category of the product.

The screenshot shows the 'DNA ELECTRONICS SYSTEM' window with the following values entered in the form:

- Product Id: 1
- Category: Smartphone
- Product Name: Sony (Callout: Enter the product name and price.)
- Price: 15000 (Callout: Enter the product name and price.)
- Recommendation: ☐ Organization ☐ Person ☒ None (Callout: Tick mark the recommendation, who recommend it.)
- Range: ☐ Low ☒ Mid ☐ High

The bottom section remains the same as in Figure 1, with search and action buttons.

Figure 2: User manual, Entering the product name and price and marking the recommendation for the product.

2. How to add (store) the product:

The screenshot displays a software application window titled "DNA ELECTRONICS SYSTEM". The interface includes a menu bar (File, Edit, Help), an "Exit" button, and a main content area. On the left, there is a table with columns: Product ID, category, Product Name, Price, Recommendation, and Range. The table is currently empty. To the right of the table is a form for adding a new product. The form contains the following fields and options:

- Product Id: 1
- Category: Smartphone (dropdown menu)
- Product Name: Sony
- Price: 15000
- Recommendation: ☐ Organization, ☐ Person, ☒ None
- Range: ☐ Low, ☒ Mid, ☐ High

Below the table and form, there is a search section with a magnifying glass icon, a "Select the category" dropdown (set to Laptop), and an "Enter the price" input field (set to 0). There are also buttons for "Search By Category" and "Search By Price". At the bottom right, there are three buttons: "Add Product" (highlighted in green), "Remove Product", and "Clear". A callout box with an arrow pointing to the "Add Product" button contains the text: "Click here for adding the product into the table." In the bottom right corner, there are links for "Activate V" and "Go to Setting".

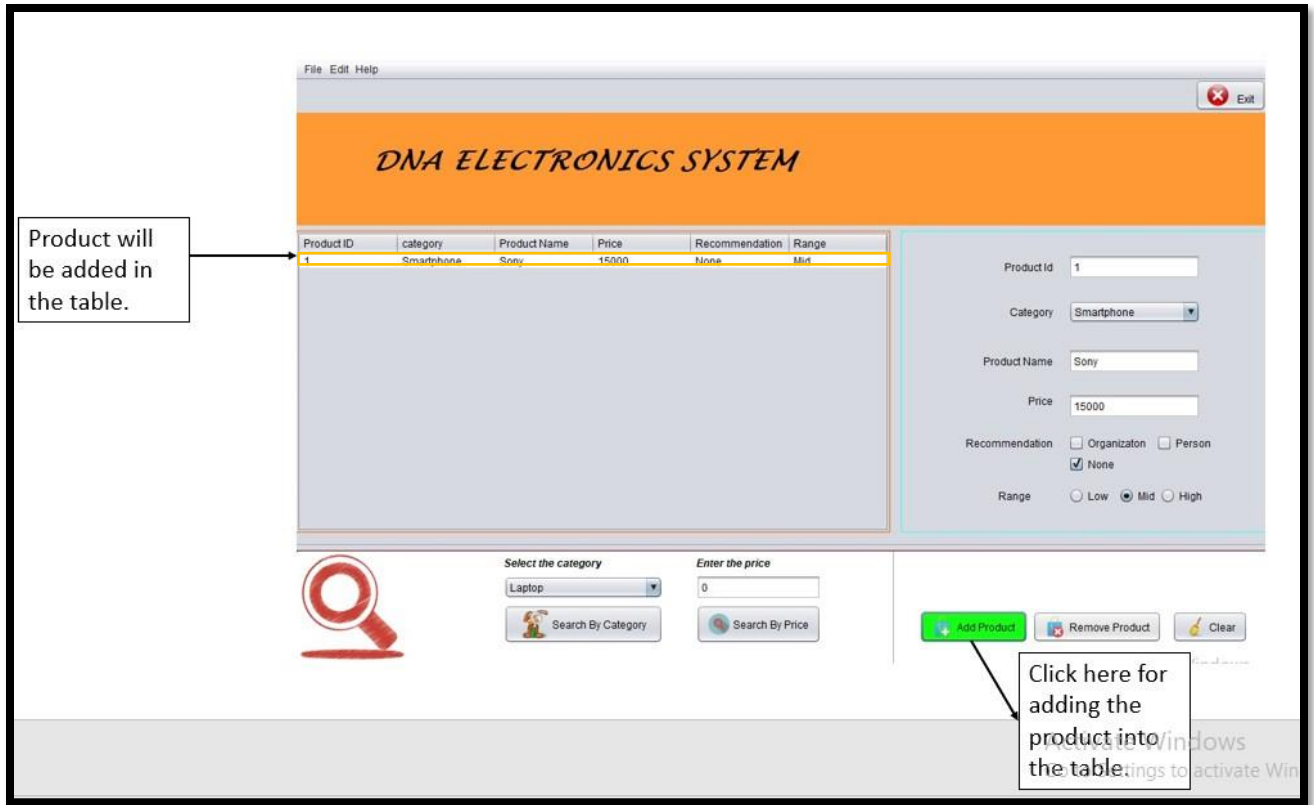

Figure 4: Item added into the table after clicking the "Add Product" button.

3. How to remove the product from the table:

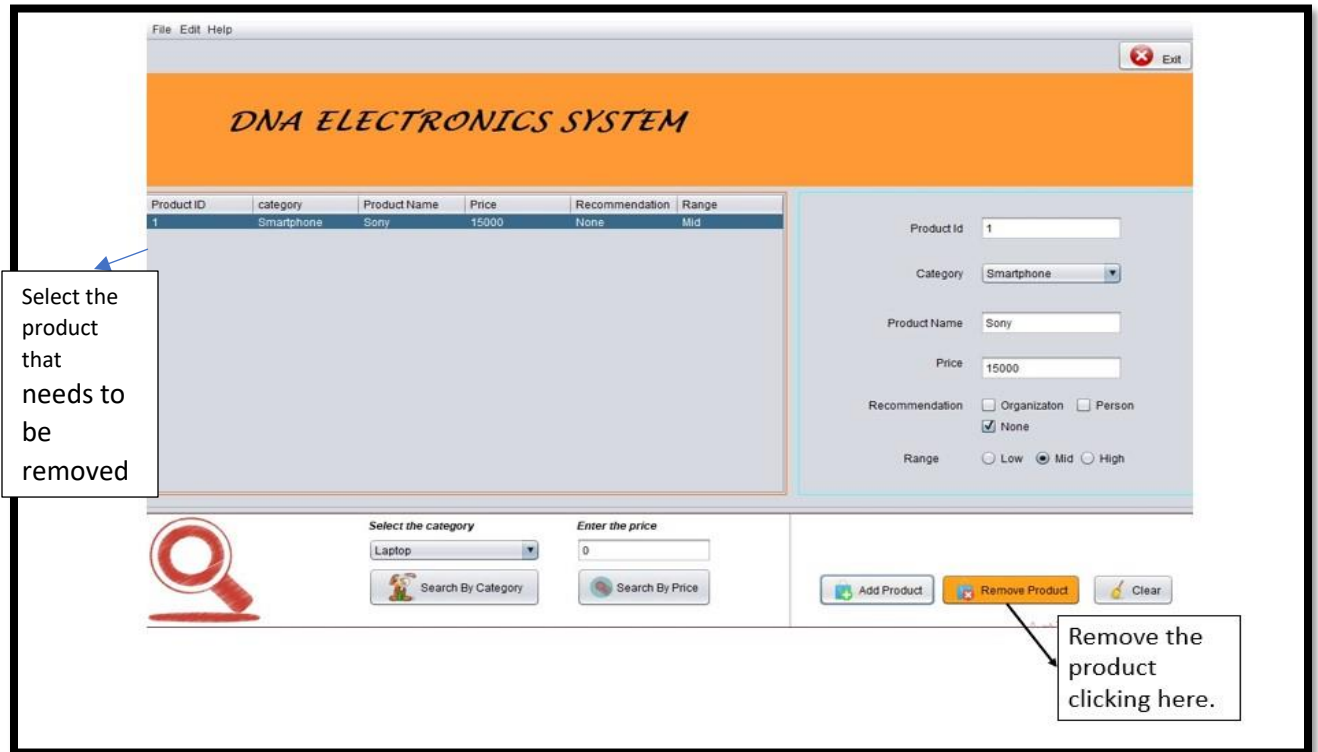

Figure 5: "Remove Product" button, for removing the items of the table.

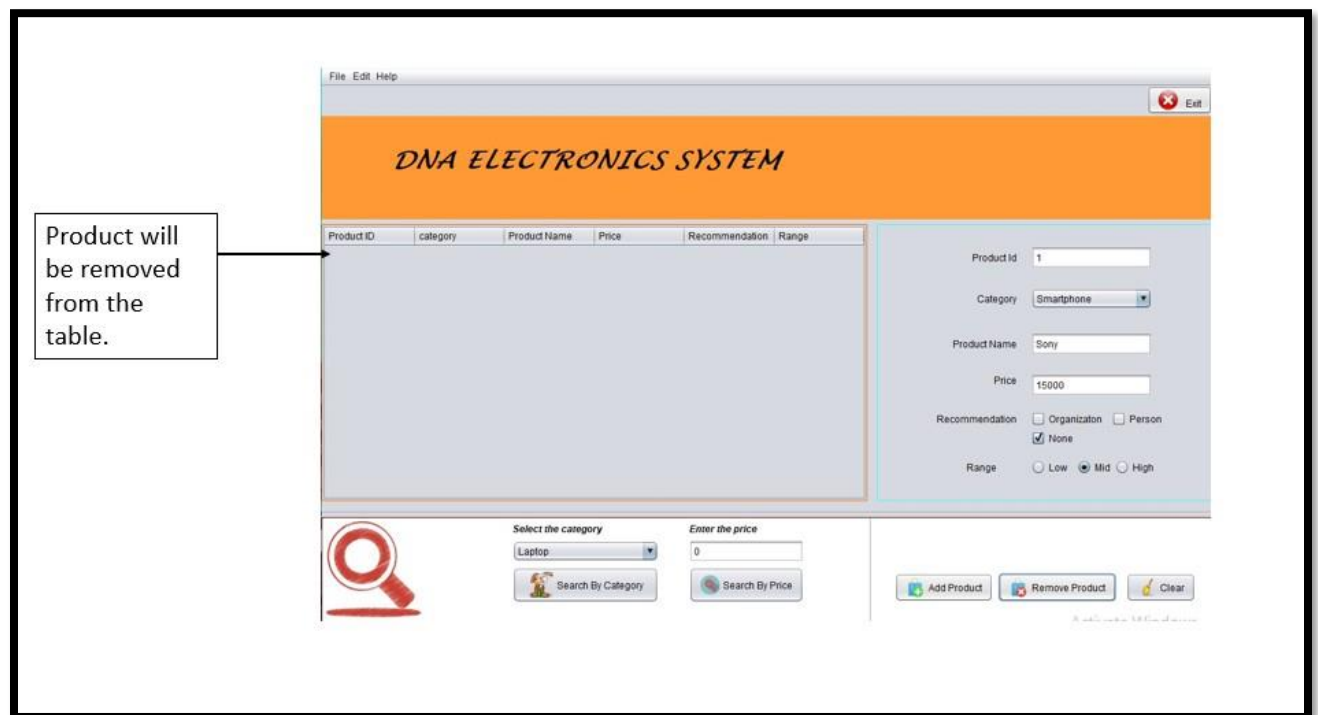

Figure 6: Item removed after the "Remove Product " button is clicked.

4. How to clear the text fields:

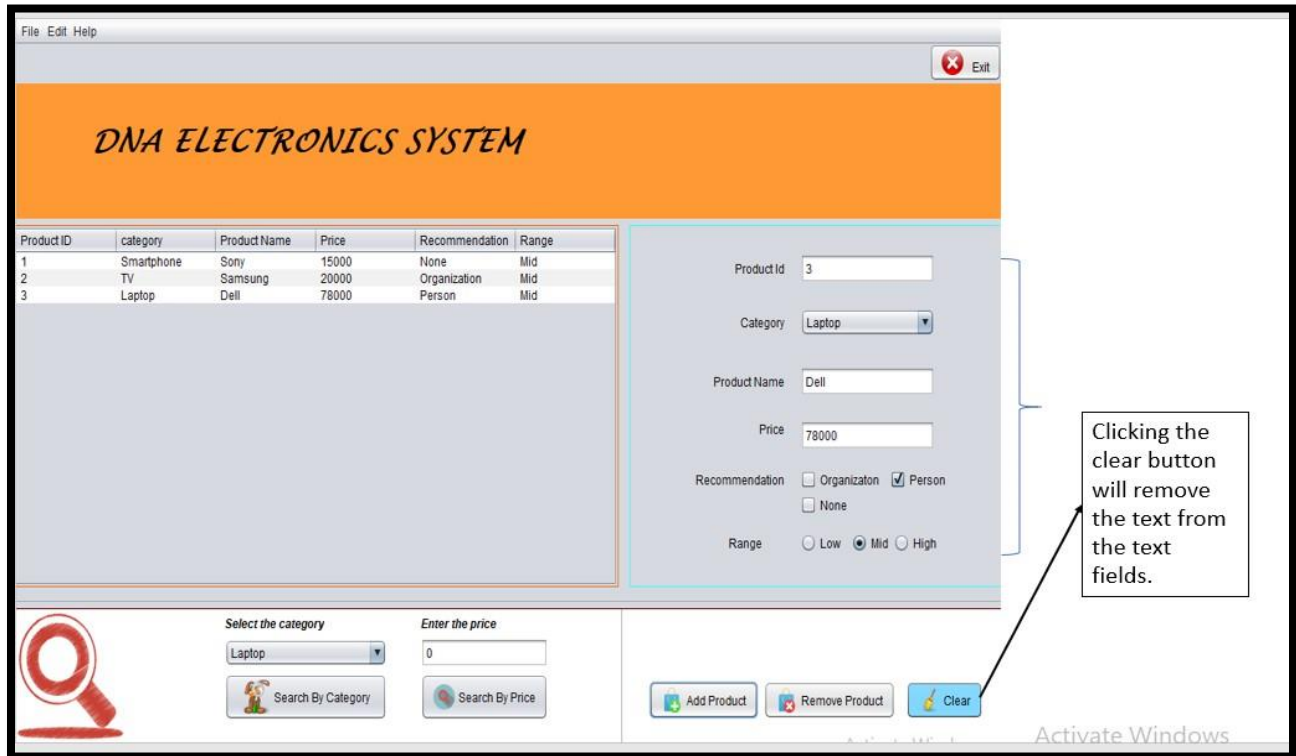

Figure 7: "Clear" button for clearing the text fields.

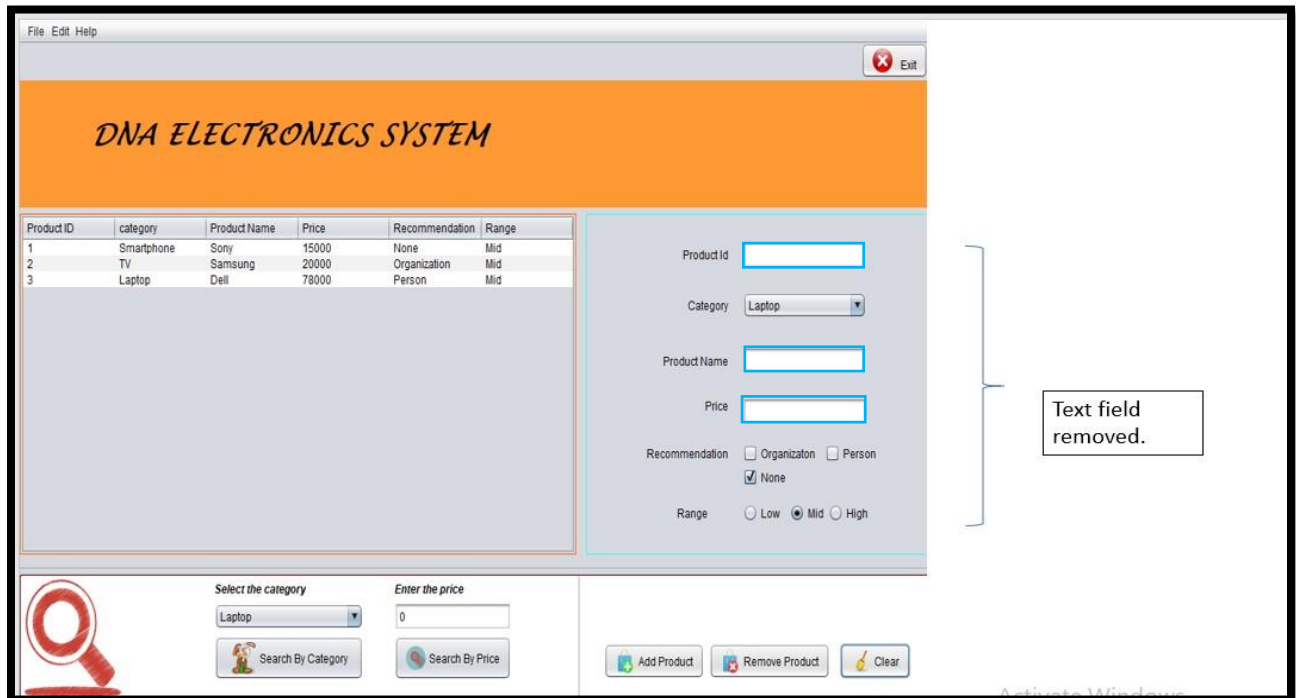

Figure 8: Text field cleared after the clicking the "Click" button.

5. How to search product according to price

The screenshot displays the 'DNA ELECTRONICS SYSTEM' interface. At the top, there is a menu bar with 'File', 'Edit', and 'Help'. Below the menu bar is a table with the following data:

Product ID	category	Product Name	Price	Recommendation	Range
p2	Computer	HP	48000	None	Mid
p1	Laptop	Dell	78000	Person	High
p3	Laptop	Acer	128000	Organization	High

Below the table is a large empty box. To the right of the table is a search form with the following fields and options:

- Product Id: p3
- Category: Laptop (dropdown)
- Product Name: Acer
- Price: 128000
- Recommendation: ☒ Organization ☐ Person ☐ None
- Range: ☐ Low ☐ Mid ☒ High

At the bottom of the interface, there is a search section with a magnifying glass icon. It includes a 'Select the category' dropdown menu set to 'Laptop', a 'Search By Category' button, an 'Enter the price' text box containing '48000', a 'Search By Price' button, and three buttons: 'Add Product', 'Remove Product', and 'Clear'.

Two blue arrows point from the 'Search By Price' button to two text boxes:

- One arrow points to a box containing the text: 'Click here after entering the product price'.
- Another arrow points to a box containing the text: 'Enter the product price that you want to search'.
